

E-Safety for Parents and Carers

Penketh Primary School

Welcome!

**A key skill for
life**

**Accessed
anywhere
anytime**

**Wide and
flexible range of
information**

**Easy to
communicate
with friends and
family**

**Motivational and
fun**

**Raise
standards**

Why do we use ICT?

Aims of this session

- Look at how children are using the Internet
- Raise awareness of E-Safety issues
- Consider ways you can support your children
- Offer guidance on keeping your child safe

**Respond to the
negative**

**Promote the
positive**

The Internet and Related Technologies

Their space

Technology is not just computers anymore...

iPads

iPods

iPhones

Tablets

Mobile phones

iWatches

Games consoles

How we use these technologies

Parents / Carers

- e-mail
- Shopping
- Booking holidays
- Research

Young people

- Music
- Games
- Chat
- Instant Messaging IM
- Blogs
- Social Networking

Moving on.....

(Parents / Carers)

Interactive

Some of the technologies.....

Mobile phones

Anytime ↔ Anywhere

Camera phones

Text messages

Internet access

e-mail

MP3 player

Chat and IM

Downloads

Mobile TV

Chat Rooms

Instant messaging

- **Chat Rooms** are websites or part of websites that provide an area for communities with common interests to chat in real time. Many ↔ Many
- **Instant Messaging** IM is a way of communicating with another individual in real time across the internet using text-based not voice communication. One ↔ One

Gaming sites

Half of children aged 8 to 15 own a games console, while a further third use one in the household - Ofcom report 2006.

- Games are played by all ages with regular players spending 11 hours per week
- Role-play, adventure and life simulations are becoming very popular
- Added extra elements of self-expression and personalisation
- Play on-line with other gamers from around the world
- Play in real-time

The New way to communicate...

Do you know who your children are talking to?

Do you know what conversations they are having?

Do you know what language they are using?

Do you know what games they are playing?

Some of the games we are hearing about in school...

- Call of Duty
- Grandtheft Auto
- Halo
- Midnight at Freddie's

The Problem...

<https://www.youtube.com/watch?v=PJxva3IqAZM>

What can we do?

- follow the Pegi rating games.
- pre-play or monitor games that are bought.
- read reviews on line.

Parents – do your homework!

Video broadcasting

- Video sharing websites are where users can upload, view and share video clips
- Videos can be rated and the number of times viewed recorded
- Video recorded with mobile phones can easily upload
- YouTube is one of the ten most popular websites

Are you aware of some of the videos/bloggers that some children are listening to?

Setting Restrictions on Youtube

[How to Restrict YouTube
in iPod touch and iPad](http://www.bewebsmart.com/youtube/restrict-youtube-and-safari/)

<http://www.bewebsmart.com/youtube/restrict-youtube-and-safari/>

[Restrict YouTube video](https://www.youtube.com/watch?v=Y8w3ld0whIY)

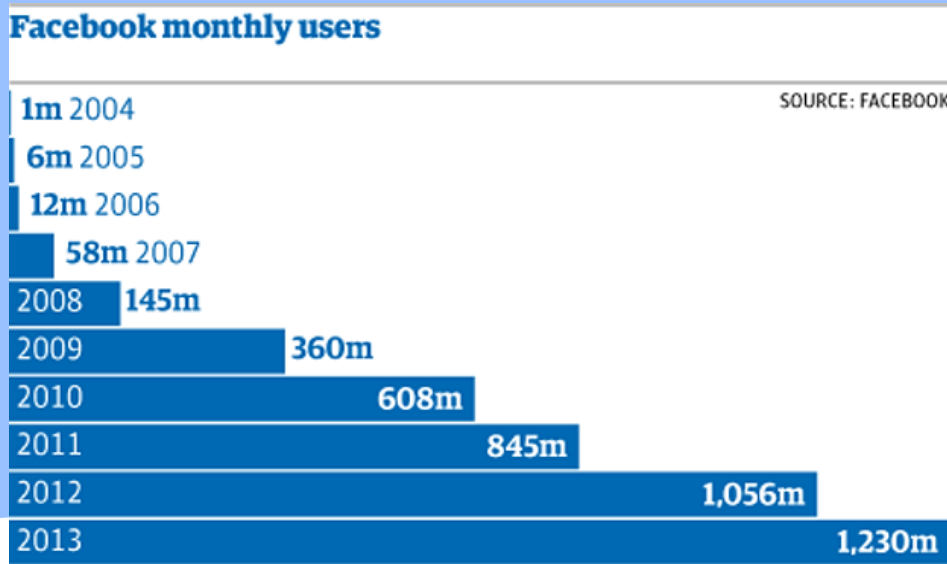

<https://www.youtube.com/watch?v=Y8w3ld0whIY>

Social networking

- Based on the idea of networking with friends and friends of friends

Potential Dangers with FaceBook

- communicating with strangers
- online bullying
- confidentiality
- photos
- language
- target audience
- advertising

iPad Safety – setting restrictions

Use the Apple website

<https://support.apple.com/en-gb/HT201304>

A test....

Text

Can you work out these rules for safe surfing devised by pupils?

- Uv d ryt 2 feel safe ll d tym, includN wen UzN ICT or yr mob ph

In school we have the motto:

IF IN DOUBT... SCREEN GOES OUT!

What do you do at home?

School

Home

- Supervised
- Monitored
- Filtered
- Curriculum

Over to you – discuss

- How aware are you of E-Safety issues?
- Has your child experienced threats to their E-Safety?
- Do you and your child talk about using the internet safely?

Home and Family Guidelines

- 😊 **Practical principles** Talk with, NOT at your children.
Agree family guidelines and rules.
Discuss regularly online safety.
- 😊 **Infrastructure** Virus and firewall software up to-date,
Browser 'safe search' enabled.
- 😊 **Education** Learn together about new technologies
and enjoy!
Reflect together about new technologies,
the benefits, dangers and potential.
- 😊 **Systems** Keep webcams in family rooms
Monitor time spent on the internet
View the 'History' or purchase filtering
software.
Have proportionate responses to
problems.
