### Uniform Update

We have noticed that some pupils are wearing trainers instead of school shoes as part of their school uniform.

Please note, that trainers should only be worn with a sports kit on the day that your child has a PE lesson.

# OUR LEARNING

**In Reception...** Reception have been enjoying the sunshine this week, catching bugs and creating Nature Crowns. We are thoroughly enjoying our Literacy book, 'Christopher's Caterpillars' and have written a letter to Christopher and Posie to tell them how to take care of their caterpillars. We have also enjoyed spending time with our Year 6 buddies to celebrate the fantastic work the children have put into their SATs this week.

**In Year 1...** This week the children have completed their learning about Warrington in History. They each made a poster to demonstrate what they have remembered! The children have also started to produce their final piece of artwork, which will be a wildflower meadow scene!

**In Year 2...** Year 2 had a fantastic time at Forest School. We used tools to whittle sticks and then made our own Forest School friend by decorating them. In Art, we have used pastels to transfer a pattern onto our fabric sheet. In Maths, we have learnt about the properties of 3D shapes.

**In Year 3...** Year 3 have impressed me this week with their Maths work. They have been making different amounts using coins and have been shopping at Mrs Clarke's shop, adding up their purchases to find the total of their shopping. In Science, the children have learnt all about pollination and the important job that bees do and in English they have been planning their persuasive letters, which I can't wait to read next week!

**In Year 4...** Year 4 enjoyed the Chinese Music workshop, especially the drums! They have impressed me with their project work in Geography, producing brilliant model volcanoes. In Maths, they have been learning about decimals.

**In Year 5...** Year 5 enjoyed the Chinese Music workshop this week. Our visitors shared a variety of instruments with us; we learnt about the history of them and how they've impacted music through time. We especially loved trying out the big drums and by the end of the day, we had even learnt some Mandarin.

**In Year 6...** Wow, Year 6! You have well and truly BLOWN ME AWAY this week! Myself, alongside all of the other adults in the school, are so incredibly proud of you all. Your hard work, maturity and perseverance have meant you truly deserve your ice cream on Monday! Absolutely amazing, well done to you all!!
