ParentPay Debt

Parents need to be aware that, on **31st March**, Warrington School Meals Service will charge the school for any outstanding debt on ParentPay. If **your child's account is in debt at this point, payment will need to be brought into the school office in cash.** Any further payments made to ParentPay after the cut-off date will be used for future meals. **Please ensure that your child's account is in CREDIT by 30th March**, especially if they have a school meal every day. Thank you.

Congratulations to:

OUR LEARNING

In Reception... Reception had a lovely time in Forest School this week! We have enjoyed reading 'Stanley's Stick' and creating magic wands. We have been looking at how seeds grow and labelling pictures of a plant. In Maths this week, we have been learning about our number bonds to 5 using five frames. What a busy week Reception!

In Year 1... This week in Year 1, we have been adding two numbers together using tens frames as well as number lines. We have been naming the capital cities of the four UK countries with Miss Horton. In English, we made lost posters to find the cheeky Gingerbread Man! If you see him, please let us know!

In Year 2... Year 2 have worked extremely hard this week. In Maths, we have moved onto our multiplication and division unit. In English, we have planned our story re-tell in preparation for our writing next week. In Geography, we identified and located the five oceans around the world. In DT, we have looked at moving vehicles to inspire us to create our own designs.

In Year 3... This week I have been super impressed with the resilience Year Three have shown completing all of their Spring tests to the best of their ability. They have also had time to make pyramids, investigate soils, build dens and play rugby. Another great week year Three!

In Year 4... This week Year 4 have worked hard completing assessments in our core subjects. We also enjoyed a visit from Nabeel, a local Imam, who taught us all about Ramadan as part of our RE unit, exploring religious attitudes towards food.

In Year 5... Year 5 walked to Penketh Library this week. We explored the children's section with the help of Donna the Librarian. Whilst we were there, we completed a book review and book hunt!

In Year 6... This week, Year 6 have started designing their automata toy for their DT project and have also written some really powerful diary entries, as if they were Henry Brown. In RE, we have looked at what events led to Jesus' death and how different people felt about it.
