# OUR LEARNING

**In Reception...** This week Reception had an exciting visit from the Aqualease Team. We learnt so much about rock pools, the creatures that live in them and how we can help to care for these creatures when we visit the beach. We were able to touch and hold various crabs, starfish and shark eggs!

**In Year 1...** We have enjoyed our final week of half-term, with lots of different activities! On Tuesday, we worked with Year 2 to learn about Safer Internet Day. We considered what to do if we saw something that made us feel worried online. We have also taken part in Children's Mental Health Week. We wrote letters to people who have listened to us and made us feel happy and loved.

**In Year 2...** Year 2 have had a very busy week! We loved spending time with Year 1 and learning all about Safer Internet Day. We have also completed a Science investigation to identify objects that can bend, twist or stretch. In Maths, it has been very interesting finding a range of ways to make the same amount of money. To celebrate Children's Mental Health Week, we have thought about the things that we are grateful for and discussed how we can show our gratitude to others.

**In Year 3...** Wow! What a busy week in Year 3. It started on Monday with a visit from Mrs Stephenson to talk about Mary's Meals, a charity which helps hungry children around the world. On Tuesday, it was Safer Internet Day, we looked at how technology has changed in the last 50 decades. We made a Thankful Tree and filled up each other's buckets with kindness as part of Children's Mental Health Awareness Week.

**In Year 4...** Year 4 enjoyed a final double session of Forest School this week. We enjoyed taking part in blindfolded challenges, litter picking, den building and were very lucky to end our sessions with some delicious roasted pineapple and brioche!

**In Year 5...** Year Five have been immersed in activities to celebrate Children's Mental Health week and Safer Internet Day. They reflected upon their own individual qualities and then we learnt about AI (Artificial Intelligence)

**In Year 6...** This week, Year 6 have really been impressing me with their resilience, perseverance and maturity as we have practised our SATs papers. I am so proud of each and every one of you! We have also celebrated Safer Internet Day and Children's Mental Health week.
