KS2 Results 2016

Back ground information

- First tests which assess the new, more challenging national curriculum
- Results no longer reported as levels but as whether a child is at National Standard for their year group
- Figures for 2016 are **NOT** comparable to previous years due to differences in curriculum and assessment. Levels are not comparable with scaled scores or teacher assessment outcomes
- The expected standard in the tests is a scaled score of 100 or above, with a scaled score of 110 resulting on a “higher level”
